Student and Parent:

The University of Science and Arts students accept the primary responsibility for attending class, reading assignments, meeting deadlines, understanding course requirements, and monitoring their own progress during the semester. While the University of Science and Arts prides itself on the accessibility of its faculty and offers numerous tutoring and academic counseling services, it is understood to be the duty of students to be proactive and access these resources.

I hereby understand that by enrolling for the upcoming semester, I am making a commitment to attend and pay for these courses. I understand that if I do not attend, I must drop my courses before the end of the designated drop period, or I will be obligated to pay tuition and fees assessed and I also realize that I will receive failing grades in these courses. I acknowledge that non-attendance DOES NOT constitute withdrawal OR extinguish the debt from my registration. I agree to pay all attorney fees and other reasonable collection costs and charges necessary for the collection of any principal and interest due. Collection fees can be as much as 50%.

Credits earned at the University of Science and Arts become part of a student's university record and will transfer to other higher education institutions. By the same measure, while under certain conditions unsatisfactory grades may be appealed or retaken, they cannot normally be expunged and will remain a part of a student's permanent undergraduate record. To continue concurrent enrollment the student must maintain a "C" average (2.00 grade point average).
